Dr. Erdmute Lapp erda.lapp@ruhr-uni-bochum.de

Tel.: 0049 234 3222350

Fax: 0049 234 3214736

<http://www.ub.ruhr-uni-bochum.de/>

Önskemål: The project proposal will have the title: Establishing information competence as a key qualification within the qualification framework of the Bachelor's program in European and Russian Universities. We want to raise the level of awareness among librarians and professors for the importance of information competence for students in the BA program, identify some examples of good practice and establish a standard. We have an elearning platform available and want to develop elearning modules for BA students in different fields. The materials should be in Russian and English; English is also the project language most of the time. It will be most interesting for Western partners who also have a Slavic department or a department of East European History in their university. will be the coordinator of the Western partners, other participants will be CTK Ljubljana, Wroclaw University and Simon Verlag, a small publishing company in Berlin, which has a good reputation for publishing library materials for international projects in several languages.

The East European Partners will be IUBINT in Yaroslavl (International University of Business and New Technologies, a private university) , Tomsk State University, Primor State University, Archangelsk, the Russian Ministry of Education; Dovrichesky National University,
